WHEREAS, in view of the above-captioned case's recent reassignment, the parties met and conferred regarding this Court's general sealing procedures and the impact of those procedures on the parties' motions for summary judgment and to exclude expert evidence, which are due on July 25, 2025, *see* D.I. 485;

WHEREAS, in view of this Court's procedures concerning the filing of documents under seal and seeking leave to file under seal in conjunction with any such submissions, there is good cause to modify the procedures set forth in the parties' Stipulation Regarding Sealed Filings (D.I. 155) for the aforementioned motions and all filings related thereto; and

WHEREAS, this Court has previously adopted sealing procedures that permit service of motion papers prior to the filing deadline so that the parties may coordinate on any necessary motion to seal, *see, e.g., PACT XPP Schweiz AG v. Intel Corp.*, C.A. No. 19-1006-JDW (D. Del.) at D.I. 269, 304, 338;

thereafter concerning whether there is any information for which one or both parties shall seek leave to file under seal and whether there is any information that can be excerpted to remove unnecessary confidential information; and

IT IS FURTHER STIPULATED that the parties shall file both sealed and redacted versions of their respective motion papers and any supporting motions to seal on July 31, 2025. The redacted versions of any papers shall include both parties' proposed redactions;
